Brake Chamber Master

We focus on the research and development of brake chamber.

ABOUT US>>

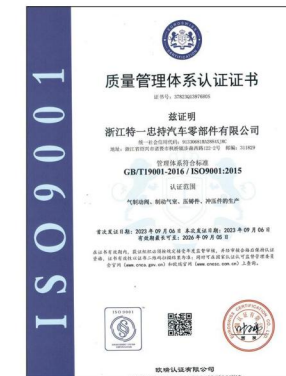

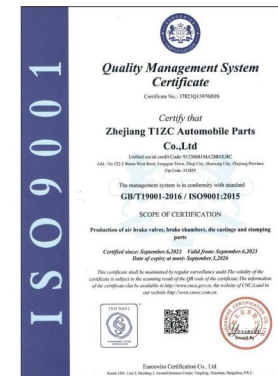

Brake Chamber Master

T1ZC

Zhejiang T1ZC Automobile Parts Company is located in Zhuji, Zhejiang Province. It was founded in 2016 and focuses on the development and manufacturing of brake chambers.

Currently, we have four factories, T01, F02, M03, Y04. T01 is located at the company headquarters and is mainly responsible for sales, R&D, QC, and production of special types of brake chambers. Other factories have their main responsible market and produce brake chambers for the vehicle model in the market they respond to.

At present, the company focuses on the development of overseas markets, and the main products have a meaningful share in the OEM after-sales market in various countries.
